Thank you for your support!

100% of your gift will be used to make San Diego State University a better university. It does this in three significant ways. First, your gift directly benefit PSFA, providing interaction opportunities between industry leaders and our faculty, staff and students. A portion of each gift (5%) is used to invest in our capacity to reach out to alumni and friends who, in turn, will enable SDSU to achieve even greater levels of excellence through a comprehensive campaign. Your gift leverages other gifts through the leadership example you set by demonstrating a level of support for SDSU that inspires others to do the same.
