

2022-2023 Health Communication Major Worksheet

PLEASE NOTE: *This advising sheet does not include General Education requirements as outlined in SDSU's General Catalog*

PLEASE NOTE: *This advising sheet does not include General Education requirements as outlined in SDSU's General Catalog*

Students majoring in health communication learn how people individually and collectively understand and accommodate to health and illness and the role of communication in shaping professional health care messages and public acceptance of these messages.

Health communication graduates find positions in both profit and non-profit organizations such as public health agencies, hospitals, educational institutions, health insurance companies, and other corporations.

Pre-major requirements: To advance from pre-major to major, students are required to have:

- Minimum 45 units
- Minimum 2.75 cumulative GPA

AND

Completion of the following nine (9) units of pre-major coursework with grades of C or better in each class:

- COMM 103 Oral Communication or equivalent (3 units)

Two courses (6 units) selected from these with a 2.75 GPA between them:

- COMM 160 Argumentation
- COMM 201 Communication & Community
- COMM 204 Advanced Public Speaking
- COMM 245 Interpersonal Communication (also satisfies GE "Lifelong Learning and Self Development")
