Who We Are

The College Council is the governing body for students in the College of Professional Studies and Fine Arts. The Council also serves in an advisory capacity to the Dean of the College and is comprised of members from a number of outstanding clubs and organizations.

Mission

Some of the unique activities the council has done are: Inspirational Awards, academic success workshops, community service events and Senior Honor Roll Awards

Make the Next 4 Years Count

Students participating in the award-winning College Council can develop and enhance their leadership skills, advocate for fellow students, network with peers from different majors and backgrounds, and acquire professional skills.
