A Message from Dean Shannon

On behalf of the more than 500 faculty and staff in the college, I am delighted to welcome you to the College of Professional Studies and Fine Arts.

In addition to 7 Schools and 3 ROTC programs, PSFA has 13 Research Centers and Institutes that allow students to engage in research and creative activity that directly impacts the community. With numerous collaborations, research endeavors, internships, scholarships, and international learning experiences available, this is the time for students to be curious, bold, and discover all that this college has to offer.

Last year PSFA placed 700 students in internships, and over 400 students studied abroad, supported by 104 scholarships totaling over $465,000 in assistance.

Seek out and jump right into the opportunities available. The possibilities are endless, and they will shape your future for the better.

Best,

Peggy Shannon, Ph.D.
Dean, College of Professional Studies and Fine Arts
